Round 2 - SSK, K to last 2 sts, k2tog (each needle)

Knitted Knockers Support Foundation has created a list of tested and approved yarns appropriate for knitted knockers. Please note that **only knockers made from this list will be used to fill orders from knittedknockers.org so if knitting or crocheting for us please only use these yarns. While Knitted Knockers are a great "stash buster" taking only about 50 yards of yarn, the knockers may be worn against sensitive skin and must be durable, breathable and stay soft after washing. Also note the acrylic yarns are **only** used for swimming knockers. Here is a link to the approved yarn list [Approved Yarns for Knitted Knockers](#).

The most requests are for pairs of neutral colors. If you don't have enough of one color to finish a knocker feel free to finish the inner piece with a complimentary color using the same type of yarn. If you get bored with the flesh tones by all means make a creative, bright pair if you want. We do get requests for those too :-). Don't stress too much about the sizing. The most important thing is to make sure that all pairs are the same size (same number of stitches). About 75% of the requests are for sizes B and C with the rest size A, D and DD.

We realize that this is not the easiest pattern being knit on double pointed needles but they are beautifully contoured and hold up really well. Getting past the first few rounds is the most challenging but once mastered it becomes an easy, fun and portable project taking most people between 3-4 hours to make one. There is a 3 part

series of videos on how to make great Knitted Knockers at knittedknockers.org.

KNITTED KNOCKERS APPROVED YARNS

We have moved away from distributing knockers made with acrylic due to feedback from recipients. Acrylic knockers are reserved for filling orders for swimming because they are not worn daily, just for an hour or so at a time. The acrylic knockers will be used, but there is a very low demand for them.

We have compiled a list of approved yarns for our knitters and crocheters. All yarns on this list are washable, stay soft after air drying, breathable, durable, of the correct weight and are beautiful. Our challenge has always been to identify yarns that are preferred by our recipients, available and affordable. The list has over 30 choices that can be purchased at local yarn stores, online or at "Big Box" stores at a variety of price points. The cost per average sized knocker using these yarns can vary from about \$1.20 to \$2.00 each depending on brand, or sales. Very affordable when you think about the difference it makes to the woman who wears them! Most yarns can be found at your local yarn shop, or online. You can find Afternoon Cotton by Premier Yarns at Walmart and Joanns and Paton's Grace at Michaels. Please note that I Love this Cotton from Hobby Lobby is too heavy and washes up stiff when air dried so is not appropriate for knitted knockers. Please include the yarn label when sending to us and your contact information.

For the wearer, it is crucial that the knocker fiber not exacerbate a highly sensitive part of a woman's body that may have already suffered from surgical scarring, nerve damage, and possible radiation burns. To minimize the chances of this happening we ask that knitters and crocheters choose a yarn that we've already tested and know that every knocker created will be gratefully received and loved by the wearer. We receive constant affirmation that these ladies truly appreciate the time and talent that a caring volunteer took to make these for them. Check out some testimonies from grateful recipients if you ever want to remind yourself that what you are doing is making a difference! <http://www.knittedknockers.org/testimonials/>

If sending to us mail unstuffed to Knitted Knockers Support Foundation, 1780 Iowa St., Bellingham, WA 98229. **Include your contact information and the type of yarn used or label from the yarn.**

If stuffing use a high quality poly fiber fill. Slightly overstuff and **leave back open** for adjustment. We use Premium Poly Fiber Fill made by Fairfield and found at Joann's and Walmart.
