BOTTOMS UP KNOCKER

KNIT FLAT WITH TWO NEEDLES- DISCONTINUED*

by Claudia Barbo, revised by Laureen Furnas (4/18/17)

*Due to recipient feedback this pattern is no longer approved for distribution by Knitted Knockers Support Foundation. It is left for those wishing to make for their own personal use." 7-13-18

Materials: 1 set 7-8” double point needles, size 4(5). Sport or (DK) weight soft, washable non wool yarn.**

See below for approved yarns for distribution by knittedknockers.org groups, stitch marker to mark needle 1, tapestry needle. Gauge- 6st= 1” (5st= 1”). Counts in ( ) are for DK/US 5 needles

BOTTOM PIECE:
Starting with a 20” tail, cast on 17 stitches.

Foundation Row: Knit one, place marker, (knit five, place marker) 3 times. Knit one.

Row 1 (rs) – Knit 1, (slip marker and knit in the front and the back of the next stitch, knit to the last stitch before marker, knit in the front and the back of that stitch) 3 times, slip marker and knit last stitch.

Row 2 (ws) – Knit 1, (slip marker, purl to the last stitch before marker, knit in the front and the back of that stitch) 3 times, slip marker and knit one.

Repeat rows 1 and 2 until you have number of stitches for the cup size you desire.

- A cup – stuffed diameter equals 4.5” (across) ..........................................................72(66) – 24(22)/needle
- B cup – stuffed diameter equals 5” (across) ..............................................................78(72) – 26(24)/needle
- C cup – stuffed diameter equals 5.5” (across) ..........................................................90(84) – 30(28)/needle
- D cup – stuffed diameter equals 6” (across) ..............................................................102(90) – 34(30)/needle
- DD/E cup – stuffed diameter equals 6.5” (across) .....................................................108(96) – 36(32)/needle

For larger sizes repeat rows 1 & 2 – 1 more time for each size, and:

- F (7”) – add two rows after the turning rows. (Row 1: knit. Row 2: knit one, purl to the last stitch, knit one)
- G (7.5”) and larger – add a total of four rows after the turning rows. (Rows 1 & 3: Knit. Rows 2 & 4: knit one, purl to the last stitch, knit one)

Each size goes up about ½” in diameter. Sizing is a bit of an art. Looser knit will stretch more when stuffed. Stuffed knockers should measure the diameters listed above.

Turning Rows:
Row 1 (rs): Knit one, purl to the last stitch, knit one.
Row 2 (ws): Knit across.

TOP PIECE
Row 1 (rs): Knit one (slip marker, knit to the last 2 stitches before marker, knit two together) 3 times, slip marker, knit one.

Row 2 (ws): Knit one (slip marker, purl two together, purl to marker) 3 times, slip marker, knit one.

Continue rows 1 and 2 until you have 5 sts on the needle.

Clip the yarn leaving a 14” tail, thread it through tapestry needle and run it through the stitches clock-wise and remove markers. Tack down the yarn tail at nipple area and use remaining tail to sew knocker closed. Use a mattress stitch and catch each knit stitch at edge for seaming. Continue seaming until you end at cast-on edges, then fasten off leaving a hole that is approximately the size of a quarter. If you don’t want to seam them and are sending to us feel free to leave that to our “expert” seamers 😊.

Bellingham, WA 98229
**Final Step To Finish Bottom Piece:** Weave beginning tail through every other cast-on stitch around the hole. This will make a draw-string like closure so the knocker stuffing level can later be adjusted by the wearer. Fill with Premium Poly Fiber Fil™ (optional, we can fill them for you to save on postage.)

Visit [www.knittedknockers.org for tips and videos on how to make the](http://www.knittedknockers.org) Bottoms Up Knitted Knocker Knit Flat with 2 Needles for help with making the knockers.

**Knitted Knockers Support Foundation has created a list of tested and approved yarns appropriate for knitted knockers. Please note that only knockers made from this list will be used to fill orders from knittedknockers.org so if knitting or crocheting for us please only use these yarns.** While Knitted Knockers are a great “stash buster” taking only about 50 yards of yarn, the knockers may be worn against sensitive skin and must be durable, breathable and stay soft after washing. Also note the acrylic yarns are only used for swimming knockers. Here is a link to the approved yarn list [Approved Yarns for Knitted Knockers](http://www.knittedknockers.org/

The most requests are for pairs of neutral colors. If you don’t have enough of one color to finish a knocker feel free to make the bottom piece with a bright or fun color using the same type of yarn changing to a neutral color 2-3 rows prior to the purl rows. If you get bored with the flesh tones by all means make a creative, bright pair if you want. We do get requests for those too :-). Don’t stress too much about the sizing. The most important thing is to make sure that all pairs are the same size (same number of stitches). About 75% of the requests are for sizes B and C with the rest size A, D and DD. Check out the video at knittedknockers.org on How to Size your Knockers for sizing tips.

We realize that knitting on double pointed needles is not the easiest so we developed this beautifully contoured, one piece knocker knit flat on two needles and seamed up. It is an easy, fun and portable project taking most people between 3-4 hours to make one. There is a video designed specifically for the Bottoms Up Knocker Knit Flat with Two Needles at [knittedknockers.org](http://www.knittedknockers.org). Watch Laureen, the Knocker Quality Queen teach Barb how to make knockers from the bottom up on 2 needles.

If you don’t have someone to give your beautiful knocker to please send them to us for distribution (always free to the recipient) and we will reimburse you for postage upon request. We need lots of them! Send with the yarn label to Knitted Knockers, 1780 Iowa Street, Bellingham, WA 98229. Be sure and include your contact info so we can thank you! Visit [http://www.knittedknockers.org/](http://www.knittedknockers.org/) (the one with the pink ribbon logo on it) to learn more and to link yourself as a provider, or to locate a group in your area. We have print materials we can help support you with including care instructions, cards and brochures. Thank you so much!!!
Please note that only knockers made from the following list will be used to fill orders from knittedknockers.org so if knitting or crocheting for us please only use these yarns. All are good for knitting, some are also good for crochet where indicated “C”. Acrylic yarns are approved only for swimming and indicated with “A”.

- Valley Yarns, Southwick

We have carefully compiled this list of approved yarns for our knitters & crocheters. All approved yarns have been tested and proven to be washable, stay soft after air drying, breathable, durable, the correct weight & make beautiful knockers. Our challenge has always been to identify yarns that are preferred by our recipients, available & affordable. The list has over 30 choices that can be purchased at local yarn stores, online or at "Big Box" stores at a variety of price points. The cost per average sized knocker using these yarns can vary from about $1.20 to $2.00 per knocker. Very affordable when you think about the difference it makes to the woman who wears them!

For the wearer, it is crucial that the knocker fiber not exacerbate a highly sensitive part of a woman's body that may have already suffered from surgical scarring, nerve damage, and possible radiation burns. To minimize the chances of this happening we ask that knitters & crocheters choose a yarn that we've already tested & know that every knocker created will be gratefully received & loved by the wearer. We receive constant affirmation that these ladies truly appreciate the time & talent that a caring volunteer took to make these for them. Check out some testimonials from grateful recipients if you ever want to remind yourself that what you are doing is making a difference! [http://www.knittedknockers.org/testimonials/](http://www.knittedknockers.org/testimonials/).

*Please note that “I Love this Cotton” from Hobby Lobby is too heavy & washes up stiff when air dried so is not appropriate for knitted knockers.*

You can mail completed, unstuffed knockers to us at Knitted Knockers Support Foundation, 1780 Iowa St., Bellingham, WA 98229. **Please include your contact information & the yarn label.**

If stuffing, use a high quality poly fiber fill. Slightly overstuff & leave back open for adjustment. We use Premium Poly Fiber Fill made by Fairfield & found at Joann's & Walmart.

Yarns no longer on the list may have been discontinued but still would be accepted if on the prior 10/2/17 Approved Yarn list.

Knitted Knockers Support Foundation is a non profit run completely by volunteers, (no paid staff). Donations are very much appreciated to help offset costs. Postage in 2017 was over $58,000 alone!

Thank you for making knockers!!!!
