We have carefully compiled this list of approved yarns for our knitters & crocheters. All approved yarns have been tested and proven to be washable, stay soft after air drying, breathable, durable, the correct weight & make beautiful knockers. Our challenge has always been to identify yarns that are preferred by our recipients, available & affordable. The list has over 30 choices that can be purchased at local yarn stores, online or at "Big Box" stores at a variety of price points. The cost per average sized knocker using these yarns can vary from about \$1.20 to \$3.00 per knocker. Very affordable when you think about the difference it makes to the women who wear them!

For the wearer, it is crucial that the knocker fiber not exacerbate a highly sensitive part of a woman's body that may have already suffered from surgical scarring, nerve damage, and possible radiation burns. To minimize the chances of this happening we ask that knitters & crocheters choose a yarn that we've already tested & know that every knocker created will be gratefully received & loved by the wearer. We receive constant affirmation that these ladies truly appreciate the time & talent that a caring volunteer took to make these for them. Check out some testimonials from grateful recipients if you ever want to remind yourself that what you are doing is making a difference! <http://www.knittedknockers.org/testimonials/>.

You can mail completed, unstuffed knockers to us at

Please include the Transmittal Form on the next page.

Please do not size, add tags, stitch or pin together. We size after stuffing.

If stuffing, use a high-quality poly fiber fill. Slightly overstuff and leave the back open for adjustment. We use Premium Poly Fiber Fil™ made by Fairfield and found at Joann's & Walmart.

Yarns no longer on the list may have been discontinued. Knockers made with discontinued yarn would still be accepted if the brand appears on an Approved Yarns list prior 10/3/23.

Knitted Knockers Support Foundation is a non-profit run completely by volunteers, (no paid staff). Donations are very much appreciated to help offset costs. Postage in 2023 was over \$60,000 alone!

Thank you for making knockers!!!!
