**See notes for larger sizes. Each size goes up about ½" in diameter. Sizing is a bit of an art. Looser knit will stretch more when stuffed. Stuffed knockers should measure the diameters listed above measured straight across the back from the point to the mid of the opposite side.

Turning Rows: P 2 rounds. These two rounds help define the edge between the back and the front of your knocker.

TOP PIECE (W/OUT NIPPLE):

Decrease round: on needle 1, K to last 2 sts before M k2tog, K to last 2 st on needle 1, k2tog. On needle 2, k to last 2 st, k2tog. Repeat this round until you have 6 sts left (4/needle1, 2/needle 2). Cut yarn leaving an 8" tail. Thread tail through remaining sts with tapestry needle and pull tight. Bring to inside of knocker and fasten off.

TOP PIECE (WITH NIPPLE):

Decrease round: on needle 1, K to last 2 sts before M k2tog, K to last 2 st on needle 1, k2tog. On needle 2, k to last 2 st, k2tog. Repeat this round until you have 3 sts left (2/needle 1, 1/needle2). Knit these 3 sts onto one needle and proceed with an I-cord for 3 rounds. Cut yarn leaving an 8" tail. Using a tapestry needle thread tail through remaining sts. Stretch and twist I-cord tightly and stitch down all around it to create a small nipple. The completed nipple should be no more than 3/8" across.

Final Step To Finish Bottom Piece: Using tapestry needle, weave cast on tail through every other cast-on stitch. This will make a draw-string like closure so the knocker stuffing level can later be adjusted by the wearer. Fill with Premium Poly Fiber Fil™ (optional, we can fill them for you to save on postage.) Do NOT cinch up!
